2020 Update

At the beginning of the year, we set a goal to raise \$89,000 by the end of September in order to pay off the church building in time for our 50th Anniversary. For the month of January, we raised and paid \$4,502 toward our goal. This leaves a new balance of \$84,498 in the remaining 9 months. Please be in prayer, as we ask God for this miracle and how you might best be involved.

WORD FROM THE PASTOR

It is hard to believe that we are already starting the third month of 2020! I am excited about all the blessings we have to celebrate in just this first part of the year. First, we thank God for the blessing of being able to accomplish some major maintenance projects. So far we have re-stripped the parking lot, cleaned up the flower beds to prepare them for summer, put new flooring and restrooms in the youth building, and much more! We have also added to the technology side of our church! We have now gained the ability to record our services and post them on our website and on Facebook. This will allow our church family that is unable to be with us to still participate and worship with their church family by the use of their phone, tablet, or computer. We also have our hearing impaired system full functional for those who would like to use them. Lastly, God has blessed our family with new members, new opportunities for places of service and new opportunities to carry the mission of Richmond Road into our community. I stand amazed at what God has done in just a couple of months and I am excited to see what the future holds as we celebrate 50 years in October as a church family!
